OUR VISION

To inspire youth,encourage passion and to be a leading brand in creating positive experiences and memories out of every space they visit, see or hear about.

OUR MISSION

To fulfill our passion by providing a designer-solution through studying & shaping the future.

O U R **A I M**

To make every project unique in its surroundings. Whether it is residential,hospitality, or administrative. Every project should have distinct mix of site influences: geography, history,landscape and urban. We find some of our greatest design inspiration in that context , by working back and forth between the design of the building and its site analysis , to provide the best solutions for our targeted clients. .

Our Values

Passion • Teamwork • Simplicity • Diversity • Community development • Fun • Quality

Continuous improvement • Environmentally friendly • Respect • Boldness • Creativity • Efficiency

Elite Architecture

"Khaled Hashem" is a contemporary brand founded for elite clients to transfer their big dreams to real living pro-j ects from architecture & interior design to product design.

THE FOUNDER

K H A L E D H A S H E M

is an enthusiastic Architect from Saudi Arabia. He gained his professional license locally from SCE and internationally from AIA after studying Architecture in King Fahad University of Petroleum and Minerals (KFUPM), where he received the Bachelor's degree.Also gained professional experience by working for the first five years with different pioneering companies, as Zuhair Fayez Partnership.In addition to the academic knowledge in business through MBA and CIPM certification in project management.

He founded KH Elite Architecture in September 2016, after cofounding two other unsuccessful businesses in the design industry. Architect Khaled is known for his unlimited passion and commitment towards innovative work. He finds joy in designing a space inside out , from its Architecture to its little details. The way he sees this profession makes it feels distinguished through presenting his elite services to various clients.

KH Elite Architecture today is reputable because of its collaboration with professionals in different engineering and technical fields,accepting the talented design students for internships from multiple leading universities ,to upgrade the quality of local resources and to utilize them properly through offering jobs for the ones fit Khaled Hashem's elite criteria.
